

Who We Are

St. Timothy is a Catholic Junior/ Senior High School serving the communities of Cochrane, Bragg Creek, Cochrane Lake, Bearspaw and the areas west of Calgary city limits. St. Timothy is situated atop a hill in the north of Cochrane and as a result, we enjoy breathtaking views of the Rocky Mountains and the Bow River Valley. The school first opened in September 2004 and is a part of the Calgary Catholic School District.

Three Key Pillars

We draw our core purpose and mission from the following three key pillars of focus:

- Catholicity
- Excellence in Learning
- Building Community

These important touchstones ground the knowledge, understanding and commitment to excellence that is integral to our school community.

As part of the Catholic education provided, we have daily prayer, liturgies, Lenten projects, and Faith Formation through Religious Education classes. Our school is also a part of the Catholic Community of Caring initiative which is based on the values of faith, family, caring, responsibility, respect and trust. As part of this initiative, our school proactively creates and maintains a safe and caring environment for all students.

Our Mission

St. Timothy is a collaborative school community committed to educational excellence by supporting our students to achieve their full academic potential, while guiding them in their spiritual and faith journey.

Register Now

Registration at St. Timothy Junior/ Senior High School is ongoing throughout the school year. To register your child or to arrange a school tour, please contact the school:

501 Sunset Drive
Cochrane, Alberta T4C 2K4

We are located in Cochrane, 20 minutes west of Calgary. Take highway 1A west to 22 North. Turn right on Ranch Road, then left onto Sunset Drive. Visitor parking is located south of the school.

ST. TIMOTHY Junior/Senior High

"Striving For Excellence...Grounded in Faith"

What We Offer

St. Timothy Junior/ Senior High School focuses on individual student learning needs. Our energetic and talented staff are committed to providing an academic program rich in content and quality. At St. Timothy, our students benefit from smaller class sizes and have the use of current technology to assist in their learning. St. Timothy has access to the D2L portal which offers award-winning eLearning programs. We are also proud to offer a full range of educational and extracurricular programming.

Healthy and Active Living

At St. Timothy, we believe in teaching students the importance of leading a healthy and active lifestyle. This is why we offer the following programs:

- Health and Physical Education
- Outdoor Education
- Sports Medicine
- Sports Performance
- Fitness Centre

Career & Technology Studies (CTS)

CTS gives junior and senior high students the chance to develop skills outside of core academic subjects which they can apply in life or use to investigate different career options. Our CTS options include:

- Communication Technology
- Construction
- Design Studies
- Fabrication and Welding
- Fashion Studies
- Food Studies
- Information Processing
- Legal Studies
- Work Experience
- Registered Apprenticeship Program (RAP)

Extracurricular

St. Timothy is proud to offer a variety of extracurricular programs and activities to help students supplement their education. These include the following:

Athletic Programs

Our gifted athletic teams compete within the Calgary Catholic Junior High School Athletic Association and the Calgary Senior High School Athletic Association.

- Badminton
- Basketball
- Cross-Country Running
- DanceWorks
- Intramurals
- Soccer
- Swimming
- Track and Field
- Volleyball
- Wrestling

Fine Arts Programs

For students who want to nurture their creative side, St. Timothy provides Fine Arts programs where students have the chance to attend band camps, concerts and tours and to participate in Main Stage Theatre productions.

- Art
- Band
- Drama

Educational Supports

To ensure that all students receive individual support to reach their full education potential, we offer the following supports:

- Aboriginal Support
- English as a Second Language (ESL)
- Resource and Learning Support (AISL)
- Special Needs
- Teacher-Advisor Groups

Second Languages

As our environments are becoming increasingly multi-cultural, it is beneficial for students to learn a second language. At St. Timothy, students have the option to learn French and Spanish.

Specialized Programs

- Advanced Placement (AP) program (*Offered only in individual or cohort based group settings) - High school students enrolled in AP courses experience university-level academic learning in addition to Alberta curriculum.
- Hockey Canada Skills Academy Program - Students enrolled in this program can access ice times during school hours, thereby allowing them to improve their skills and overall understanding of the game.
