

Dear Parents,

Your child has chosen to try out for the **Senior Girls Volleyball** team. We began try outs today, \_\_\_\_\_ students have chosen to try out.

My name is \_\_\_\_\_ and I will be the coach for this team for the 2017 season. I volunteer to coach for many reasons. I believe that sports gives children the opportunity to learn many lessons that they will use for life, gives them important physical activity for health and in addition to teaching, basketball is one of my passions.

I will be selecting a team based on the criteria listed below:

- 1.
- 2.
- 3.
- 4.
- 5.

**Space and time restrictions will limit the number of student-athletes I can keep on the team. I will be choosing 10 – 12 players, so some talented players that meet much of the listed criteria, may unfortunately not make the team.**

Here are a couple of other Volleyball Options I have found in this community.

- 1.
- 2.

Thank you in advance for your understanding and support. Please do not hesitate to contact me if you have questions.

Sincerely,
