4. SCHEDULE
 - a) Schedules (review)
 - b) Please note adjusted schedules for Year Round Schools (St. Joseph and Father Scollen). Home teams playing these schools should confirm dates by September 7th. As in past – girls and boys teams will alternate starting first for league games. **GIRLS play 1st (weeks 1,3 & 5)** This means girls will play twice in the first week.
 - c) Tournament Information, please use the Junior High Athletics Google Site
 - d) Playoffs – We will use a NCAA North/South final to assist with travel concerns.
5. All players **MUST** play in each match – CCJHSAA Constitution.
6. Blowout scores are **UNACCEPTABLE** – please have strategies in place to deal with these situations e.g., using subs early, starting second string, underhand serve, placing the ball etc. COACHES should meet before games to understand where the opposition is at, and discuss potential strategies.
7. Year round school accommodations have been made on the schedule, please make contact by Friday, September 7 to **re-schedule** those games. Also, year round schedules will affect playoffs so some Tiers may need to play all of their playoff games in a short time frame.
8. **JUNIOR TEAMS**
 - a) Junior teams are expected to mirror the Senior Team's schedule with the exception of week one – If for some reason you are unable to field a Junior Team you are expected to contact all teams in your league and advise them.
 - b) Junior Teams – Please note rule – Triple Ball System – Best Practice. Home Teams need to call/email to confirm.
9. "Quiet on Serve"

Reminder to all coaches/officials to help enforce "Quiet on Serve" rule – follows our Coaching Handbook Sportsmanship Guidelines.
