Use of Grade 8 and 7 Players on Senior Teams
Submit the following form to craig.kittelson@cssd.ab.ca

1. Based upon discussion at the CCJHSA Association, it has been determined that we will allow senior teams to use grade 8 players and grade 7 players for tournaments or league games, based upon injuries, illness and absenteeism.
2. Teams will submit an application to the Principal Liaison of Volleyball for the **2018-2019** season (via e-mail) to request the use of younger team members.
3. **NOTE:** If younger team members do dress for older team games, regular rules apply; stating all those athletes who dress, will play.
