

CALGARY CATHOLIC SCHOOL DISTRICT

February 27, 2017

Dear Parents and Residents of the upcoming Legacy Catholic High School community;

We are pleased to announce the appointment of the new principal for Calgary Catholic School District's new high school currently under construction in Legacy. Mr. Mike Bolder, currently serving as principal of St. Gabriel the Archangel School has been appointed to the position of principal of the new high school. Mike is an experienced principal in the district, presently serving junior and senior high school students in our Chestermere school and he formerly opened Christ the King School in the community of Cranston.

This appointment was based on the "School Administration: Qualities, Attributes and Characteristics" profile developed at the parent public participation session on November 23, 2016. This document was previously shared with the community, and can be found on the Future Schools Legacy High School page found here:

The process to determine the name of our new Catholic high school will begin in the coming months. Watch for opportunities through surveys sent home from school, as well as at St. Albert the Great Parish and St. Patrick Parish, in the near future to voice your opinion on potential names for the new school.

Finally, a reminder to all future parents and students to keep up to date on school developments on the district website at

Sincerely,

Mike Ross
Superintendent, Area A Schools
