STUDENT REFLECTION COMPONENT

Students who choose to attend Bishop Carroll High School do so because they value the opportunity to undertake a personalized, self-directed learning approach.

Bishop Carroll is founded on a book by J. Lloyd Trump entitled "A School for Everyone."

In the space below, or on an attached piece of paper if desired, please describe some personal reflections that indicate your desire to work in a personalized, self-directed learning model. This Reflection will be shared with your assigned Teacher Advisor which will help them get to know you.

You could reflect on any or all of the following in your response. Please be specific to your own personal experiences.

- Describe a recent individual or group work project that was self-directed
- Relate comments made by teachers about your work style
- Describe your out-of-school activities which have caused the need for flexibility
- Any other example specific to your decision to attend Bishop Carroll High School
