Hockey Canada Skills Academy

Hockey Canada has teamed up with CCSD to offer an exciting program for students.

This program is offered at the elementary, junior high and high school level in select schools. Students will have the opportunity to:

- Learn technical hockey skills from certificated teachers with extensive hockey backgrounds.
- Learn valuable leadership and teamwork skills.
- Develop their fitness during school days.

Hockey Canada will supply resources to train teachers and provide students with on-ice training up to twice a week and off-ice training once a week.
