## Dear Kindergarten Families

Spring is here and we have begun to talk about all the changes spring brings. Discovering the many living things that are reborn during spring may help your child to become more aware and appreciative of the new life around us. Please help your child notice the wonderful changes that spring brings.

Be sure to return the "Backpacks" your child has been bringing home the very next school day...the next child is eagerly awaiting his/her turn. Check to be sure everything is in it including the instruction page.

You can encourage your child to begin thinking about Easter by asking questions as "How does your family celebrate Easter" or "What special customs or traditions does your family have".

Have a great Easter Break. See you April 1<sup>st</sup>.

Sincerely,

Mrs. Hanson
