

Blessed Cardinal Newman School Kindergarten Newsletter June, 2019

DEAR KINDERGARTEN FAMILIES

Just one last note to let you know what is new and exciting in Kindergarten!

In June we will be going to the lake and having a special "Playday" at school. We will also get a visit from a "Mad Scientist."

The Kindergarten students will be going out for recess for the month of June. Please pack an easy to eat snack every day (one thing is all they need – no drinks). The only scheduled snacks will be birthday snacks and packing a snack that day is not necessary. Thanks to all the parents who have sent in such wonderful, nutritious snacks all year.

Testing for the last report card has begun. Please go over the skills and concepts on the review sheet that is included with this newsletter. It will help to reinforce our review at school.

My treasure box is in need of replenishing. If you have small toys, trinkets/items that you would love to get rid of, please send them my way. This can be done secretly if needed!!

Best wishes for a happy summer!

Sincerely,

Mrs. Hanson
