Kindergarten Newsletter

Dear Kindergarten Families

During the month of May we will be completing a Farm Unit. The children will learn about different farm animals and life on the farm. We will be getting two chicks in our classroom. The children will be learning how they are hatched, what they eat and where they live.

We will also be visiting the Calgary Corn Maze on May 23rd. All classes will be attending from 8:20am – 1:00pm. The children will be responsible for bringing their own snack, lunch and drinks. Please dress your child for outdoor exploring.

Springtime Weather

As the weather gets warmer, the children will start wearing cooler clothes to school. Please make sure that if your child wears sandals for outside shoes, they should still be wearing socks (throw a pair in their backpacks just in case). Bare feet on the floor are a safety and cleanliness concern. If girls choose to wear a tank top or dresses with spaghetti straps, they must wear a shirt/sweater over top or underneath.

Don't forget to label those spring jackets and hats with your child's name!!

Important Dates
