About me

I was born and raised in a small town on Cape Breton Island. I completed my Business Administration Degree at Mount Saint Vincent University, and studied Education at the University of Maine at Fort Kent. I completed my Masters of Science in Educational Leadership from the University of New England in 2018. I have been working in Calgary for CCSD for about 18 years. I have had the opportunity to work in several schools through out the district and have thoroughly enjoyed the journey that has led me to Guardian Angel School.
