About me

I am the Diverse Learning Coordinating Teacher at Guardian Angel school, going into the fourth year. I am blessed to have the opportunity work with students in all grades of the school. I am passionate about helping every student to be fulfilled in their learning, social and spiritual growth. I enjoy the outdoors by walking, hiking, biking and camping, and spending time with family. I enjoy rec sports with friends and I love to sing in the music ministry at St. Michael's Catholic community. Looking forward to another great school year!
