Book: Where the Wild Things Are

About me

Hi! I am married and have two very active kids, one in junior high school and one in high school. As a family, we enjoy spending our time outside in the mountains all year long.

- This is my 26th year of teaching. I have taught kindergarten through to grade 5 and I have loved teaching all these grades. I'm excited for another great year at Guardian Angel School!

contact me

The best way to get in contact with me is through email:
