

School Council News

Meet your Holy Child School Council:

Claudette Gourdeau – Chair

Tansi/Hello! I am a single mother of two sons: Phoenix (Grade 6) and Roman (Grade 12 @ Bishop O'Byrne). We moved here (Silverado & Calgary) 8 years ago from Treaty 6 Territory - Saskatoon, SK. As an Indigenous educator who has been teaching for 24 years, I understand the importance of being actively involved in my children's lives. This is why I became involved with SC. This year, I would like to see more parents/guardians involved in our school council. My hope is that we can work together as a community to grow a lasting foundation of support for years to come. You can reach me via email (cgourdeau@shaw.ca) or cell (403-990-1743).

Amy Ressler – Vice Chair

Hi! I have 2 sons attending Holy Child in Grades 1 & 3. My husband and I moved to Silverado 9 years ago. I work full time as a Chartered Professional Accountant. I like being involved with the school council because I can build relationships with the Holy Child staff and parent community. This year I hope to meet more parents and help organize fun events for the students, parents and staff.

Sara Engelhardt – Treasurer

Hello! I have three children of which two attend the school in Grade 2 and Kindergarten. My husband and I moved to Silverado 9 years ago. I have 15 years within the financial service industry. My husband works with CSSD. I joined SC to enhance school community spirit and to help enrich student lives. A huge part of this community spirit requires many hands to support. This year, my hope is that everyone gives a little bit of themselves to make our school great!

Denise Krueger – Secretary

Hi! I have 2 girls attending Holy Child; Talia in Grade 6 and Kiana in Grade 2. I am originally from Fort McMurray, AB. We have lived in Silverado since we moved in 2012. My husband Ralf works for CNRL and I have been a stay at home mom since 2007. School council helps me to be a part of a larger community and I am happy to be involved, especially with Healthy Hunger. I look forward to meeting more parents. Please let us know your availability as we are always looking for volunteers.
