CATHOLIC COMMUNITY OF CARING LENTEN PROMISE PROJECTS

St. Patrick’s parish reached out to us looking for help in replenishing their pantry. Many parishioners are depending on the Church for financial assistance through food donations. The pantry food supply is low. Let’s help our Church community this Lenten season. Below is a list of core pantry items needed (not exclusive) that the Church currently needs replenishment. We are collecting donations until **April 15th**. Thank you for your support!

Kraft Dinner Spaghetti Pasta (dry) Rice (900g) Soda Crackers (4 sleeve) Pancake Mix Pancake Syrup	Juice – 1L Jello Pudding Jello Canned Tuna / Salmon Canned Fruit Baked Beans (no pork) Canned Pasta Canned Tomatoes Canned Vegetables	Soup Cereal Coffee Ketchup Pasta Sauce Jam Peanut Butter
---	---	--

Starting Monday, April 8th students will have a chance to win a jar of jelly beans by guessing the correct number of jelly beans in the jar. There will be 4 Jars of Jelly Beans- one for each division (grades 1-3, 4-6, 7-9 and Kindergarten). Each guess is \$0.25 per guess or \$1.00 for 5 guesses.

All proceeds will go to the Holy Childhood Association. This special charity organization helps children all over the world. This year donations help children in Ghana, Kenya, Nigeria, South Africa, Tanzania, India, Indonesia, and Thailand. For more information go to <http://www.missionsocieties.ca/holy-childhood-association-hca>

The contest will begin on Monday, April 8th. The last day to make a guess will be Wednesday, April 17th so bring your quarters and your loonies!

DOGS ON SCHOOL PROPERTY

We love our pets, however, for the safety of everyone, please do not bring dogs onto school property.

TARMAC SAFETY

Please remind your kids that bikes, scooters and skateboards are not to be used on school property. Please walk your bikes and scooters and carry your skateboards while on school property. Your brain is your most important body part, please wear your helmet!

COBS BREAD ON-GOING FUNDRAISER

Our school has partnered with COBS Bread in Shawnessy and Okotoks to raise funds for our school. Fundraising is easy! Simply mention Holy Child School during your transaction at Cobs bakery when you

make any purchase OR use these codes – Shawnessy - 3141 / Okotoks – 3168. COBS Bread will be donating 15% of every purchase mentioned to Holy Child School.

PARENT SATISFACTION SURVEY

The Parent/Legal Guardian Satisfaction Survey is now open online from March 8th to April 26th. Please click the link to fill out the form online:

<https://tinyurl.com/satisfactionsurvey2019>

The link is also posted on our website. We encourage you to complete this survey as your feedback is always welcome and important in making decisions for our school. You can also use the school Chromebook to submit responses and these will be available during the Parent-Teacher Conferences.

Lemonade Day!

FREQUENTLY ASKED QUESTIONS

ABOUT THE PROGRAM

What is Lemonade Day?

Lemonade Day is a FREE community-wide, educational initiative designed to teach children how to start, own and operate their own business—a lemonade stand.

When is Lemonade Day?

This year National Lemonade Day will be held on May 7, 2017. To find your city's website and Lemonade Day date please visit:

www.LemonadeDay.org

What do children learn?

The objective of Lemonade Day is to teach youth how to start, own, and operate their own business - a lemonade stand. Children learn the entrepreneurial skills necessary to be successful in the future and become contributing members of their communities. They learn how to create a budget, set profit-making goals, serve customers, repay investors and give back to the community. For kids, one of the best parts is that after covering their expenses and paying back their investor, they can keep what they earn. We encourage them to spend some of their profit as a reward for their hard work, save some of their profit for a rainy day or to re-invest in their business, and share some of their profit with the community that supported them.

How did Lemonade Day get started?

Lemonade Day was founded in 2007 by Michael Holthouse. As an INC. Magazine Entrepreneur of the Year and a two-time "Inc. 500 Fastest Growing Company" winner, Michael is passionate about entrepreneurship and proactively supports youth and experiential learning through his foundation Prepared 4 Life.

How much does it cost to participate in Lemonade Day?

Lemonade Day is a free program for all youth. The curriculum, activities, services, products and resources of Lemonade Day are made possible by the generous donations of individuals, corporations, community organizations and foundations.

How old do you have to be to participate in Lemonade Day?

Lemonade Day is open to youth of all ages. The curriculum is written to target youth in grades 3-5 however, the material can be adapted for older or younger audiences.

What happens to the money raised on Lemonade Day?

The money made at each stand on Lemonade Day belongs to the youth participants who operate that stand. 100% of what they make is their business profit. The Lemonade Day curriculum encourages them to spend some, save some, and share some: spend some on themselves for all their hard work; save some and open a bank account; and share some with a charity, non-profit or cause in their community.

REGISTRATION

How does my child register?

We encourage you to register your youth participants online by visiting your city's website. Many cities also offer registration events where you can register in person. Typically, registration opens a few months before your city's Lemonade Day. The sooner you register, the more time your child will have to find a location and plan their stand. For information about registering a large group, classroom, or school, please contact your local city. To find your city's website and event calendar please visit:

www.LemonadeDay.org

Success is Sweet!

What do we do after we register?

After registration, depending on your city, you will receive either a printed workbook or access to an online version of the program called Lemonopolis ([View a short tutorial about Lemonopolis here](#)). If you register online for printed materials, you will receive a confirmation email with instructions on where to go to pick up your materials. If you register online for Lemonopolis, you will be able to immediately login to Lemonopolis with the username and password you created during registration. If you register at an event, you will either receive physical materials at the event or information on where to go to access the online version.

Where is the training for Lemonade Day?

The Lemonade Day curriculum walks you through everything you need to know to start your lemonade business. Families (or mentors) work through the curriculum together with their participants to make a plan, build a stand, and execute their plan on Lemonade Day. Some communities offer events leading up to Lemonade Day to help youth with the lessons, building a stand, creating their plan, etc. Visit your local Lemonade Day website for more information.

LOGISTICS

Where can my child set up their lemonade stand?

A child has a number of options when determining a location for their lemonade stand. Some participants set up in front of their homes while others request to set up in front of a local business in hopes of getting more traffic. If you do have a business site in mind, be sure to have your child ask for permission early for the best chance of success. Check out your city's website for a list of location options and details.

How will customers know where to find us?

Once you have your location determined, you can add your stand on the map. It's easy and you can use our Brand Your Stand tool on your city website to include the hours of operation and special features of your new business.

Do we need a health permit to participate in Lemonade Day?

Possibly. For more information about when you will need a permit and how to go about getting one, please visit your city website. We've made the process easy but we want the youth that participate to have a full understanding of what it means to be in business. Knowing the rules is one of the most important lessons!

Can we set up our lemonade stand on a different day?

Many times youth decide they enjoy making their own money and they want to continue throughout the year. We encourage that! If you choose to participate on a day other than Lemonade Day, please be sure to set up your stand on private property with the permission of the owner.

COMMUNITY PARTICIPATION

How can schools participate in Lemonade Day?

There are many ways schools and classrooms participate effectively in Lemonade Day all over the country. In fact, many schools have incorporated Lemonade Day as part of their curriculum. To learn more, contact your local Lemonade Day team.

How can community members participate?

On Lemonade Day, everyone has a job! Lemonade Day is as much about community and engagement as it is about supporting young entrepreneurs. On Lemonade Day, we hope you'll be out there buying glasses of lemonade and getting to know the young entrepreneurs in your community. There's also plenty to do in the months and weeks leading up to Lemonade Day. You may want to mentor youth, serve as a guest speaker in schools, donate, sponsor stands in front of your business, help stuff backpacks or any number of volunteer activities. For more information on getting involved contact your city team through your city's website.

How do I bring Lemonade Day to my community?

To learn how to bring Lemonade Day to your community, contact our national office at www.LemonadeDay.org.
