HEALTHY HUNGER

Holy Child school council is going use **Healthy Hunger** to offer fun lunches and special event items to students to purchase. Please go to www.healthyhunger.ca and click "REGISTER STUDENT". After your account is created, you will be able to view all upcoming Fun Lunches and special events. You can place orders and then pay for your order Online with Visa, MasterCard or Interac Debit.

Our first fun lunch is scheduled for Oct 4th - McDonalds! The orders typically close the SATURDAY before the FUN LUNCH. Unfortunately, the system can not accept late orders. If there are any volunteers that can help during the day of the fun lunch for 1-1/2 hours that would be greatly appreciated. Please email our school council chair, Claudette Gourdeau at cgourdeau@shaw.ca

SCHOOL COUNCIL BBQ

Thank you, School Council, for hosting a family barbeque during our Meet the Teacher night! What a special treat for all our families! Thank you, Shawnessy Co-op, Shawnessy Safeway, Shawnessy Superstore, Prairie Meats, Tony Monteiro and Silverado Sobeys for your kind donations! We have been so blessed with all the generosity shown towards our school! We encourage our families to express their thanks to management of these stores when you are doing your shopping.

MEDICATION

For various reasons, some students are required to take prescribed medication administered by school personnel during the school day. If your child requires medication it is necessary to provide medical forms completed by a doctor and parent. It is the parent's legal responsibility to advise the school of severe medical needs such as severe allergies or other medical conditions that may require the administration of medication by school staff. If your child requires an EpiPen, they are to always have one with them and one in the office. The required forms can be obtained at the front office or you can email the office and we will send you copies of these forms.

ALLERGY SAFE ENVIRONMENT

While school administrators and staff continually work towards an allergy-safe environment, an "allergen-free" or "peanut-free" milieu with zero risk cannot be reasonably guaranteed. Students are asked not to share snacks, treats or lunches with other students in the school. Prevention is the best approach for reducing the risk of severe allergic reactions. Therefore, we are requesting cooperation in refraining from sending food products to school which contain peanut or nut products.

VOLUNTEERING

If you are wanting to and available to volunteer, it is a requirement that you attend a volunteer orientation every school year and complete the documentation each year. Two volunteer sessions were held on Thursday, Sept 19 and Friday, September 20th, during Meet the Teacher. Moving forward, there is access to an on-line option for Volunteer training. You need to view the PowerPoint, download the Volunteer package (includes the forms to sign) and complete the on-line quiz. The on-line quiz is based on the information viewed in the PowerPoint and in the forms package to ensure you are fully prepared to be successful in your volunteer times at Holy Child School. Please go to the Holy Child School website, Parents section, under volunteering. <https://www.cssd.ab.ca/schools/holychild/Parents/Volunteer/Pages/default.aspx>
