Dear Parents and Guardians:

The vision of Holy Child School Council is to foster academic success, personal development and good citizenship by enhancing a positive learning environment through effective communication and parental participation within the Holy Child School community.

The Holy Child Student Council would like to enhance our children experience at school and support our teachers and staff.

The items below are examples of what we would like to support with our fundraising:

- Storytelling Residency for 4 days (Jeff Stockton) Cost: \$3,400.00 (Same concept as the Dance residency done last year)
- Math Program Licenses:
 - 210 Mathletics Licenses @ \$8.50 = \$1,785
 - 45 Zorbit Licenses @ \$8.50 = \$382.50
- Busses for Field Trips (\$250 per grade)
- Ukuleles for Music Class

We are launching our "2018-19 Cheque Writing Campaign" as part of our school fundraising.

This campaign will run from Monday, October 29th to Monday, November 26th.
