

Internet Safety Night for Parents at Holy Child School

Tuesday November 6th

6pm- 7:30pm

Are you nervous about how much your child is online? If so – then we have a great and informative night for you!

On Tuesday Nov 6th at 6pm- 7:30pm we are very pleased to announce we will be hosting an information presentation with Cst. Carter Duchesney about internet safety and awareness for parents. Cst. Duchesney began his policing career in 2003, where he worked as a Crime Analyst, and was a sworn Calgary Police Service member and a member of the RCMP. He now serves as the Cybercrime Education Officer where he gives presentations about internet safety to schools and the general public and in the last four years has presented to approximately 65,000 students, parents/caregivers and companies in the Calgary area. We are so lucky to have him coming to Holy Child School.

If you are interested in learning more about this hot topic, please RSVP by calling the school at 403-500-2130 or emailing our school counsellor Mrs. Luedey at renee.luedey@cssd.ab.ca - by Friday Nov 2nd.
