

CALGARY CATHOLIC SCHOOL DISTRICT

October 19, 2018

Dear Parent/Guardian;

As part of our annual planning process we review school enrolment numbers and attendance areas throughout the Calgary Catholic School District (CCSD). Based upon this review, an opportunity has arisen that would allow for a revision of the Our Lady of Peace attendance area, affording an opportunity for resident junior high students in Evergreen to attend Our Lady of Peace School.

Within the context of all CCSD schools and programs, we utilize a public participation process to support informed, collaborative decision-making related to district program and accommodation planning. In addition to the school council meetings recently held at Our Lady of Peace, Our Lady of Evergreen and St. Stephen, I would like to extend an invitation for you to join us at a **public engagement meeting scheduled for November 6, 2018, 7 PM, at Our Lady of Peace School.**

Given that this consultation has the potential to impact all three school communities (Our Lady of Peace, Our Lady of Evergreen and St. Stephen) we want to ensure that we are adequately prepared to work with you and obtain your input and feedback.

As a result, we are asking that should you plan to attend the engagement meeting on November 6, please click the link below and register for the evening. This will allow us to ensure that we have enough tables, chairs and facilitators on hand for the engagement. Parents may register by clicking the following link: <https://tinyurl.com/HPOFNov6>

Please plan to join us as we move forward with our continuing work to ensure the best educational environment we can with the resources we have.

Sincerely,

John McDonald
