

Prince of Peace Education Society

What is the Prince of Peace Education Society aka POPES?

The Education Society was set up to access additional **GRANTS FOR THE PLAYGROUND**. The Education Society will be an independent organization with its primary focus being **FUNDRAISING FOR OUR PLAYGROUND**. We will work in collaboration with Playground Committee, School Council and POP Administration.

Who we are?

We are everyday parents/guardians. We have jobs, some have two. We have children who go to Prince of Peace School. We want to help support our school.

What do we need?

YOU!

We are looking for parents with skills in grant writing, fundraising, event management, volunteer recruitment, marketing and communications or those with a willingness to learn!

If interested, please attend and stay after the School Council meeting on **Tuesday, September 25th at 6:30 p.m.** The Society meeting will commence after school council.

If you have any questions please contact us at popeducationsociety@gmail.com

Volunteering is good for the heart and the soul! Alone we can do so little; together we can do so much.
