

March 19, 2020

Dear Parents, Guardians:

It was so great to see your smiling faces today! Thank you for being so supportive.

Parents please feel free to check out this link on Google Classrooms for Parents. Staff are working hard to familiarize themselves with this platform.

[Click on Google Classrooms for Parents/Guardians](#)

Grade 1 is continuing to use their Blog. We know all our families do not have access to technology. Please be patient, we are working on this.

We have added mental health and financial links to our website. The link below is for financial assistance.

[Emergency Financial Assistance](#)

Feel free to have your child contact myself or Ms. Traynor if they want to send pics of what they are doing or just to say hi.

Please continue to be patient and kind to each other as we travel through this experience.

God Bless,

Rhonda Murphy
