Dear Parents, Guardians:

Wow, what a week! I am so proud of our St. Angela Community! Our families and staff have been so patient, kind generous, supportive and helpful. Thank you!

Below is a fun, prayerful song shared by Mrs. Cimino who leads our Friday morning Lenten Prayer.

If you have missed one of our daily update letters, they are now and will continue to be posted on our website, under NEWS.

This weekend take time to connect with an old friend, check on a neighbor, pray together, snuggle and read together, play a board game together, dance like no one is watching, cook something new, clean out a closet, teach your child how to do laundry, clean their room, listen to a PODCAST, go play in your backyard or take a long walk....

It is with so many mixed feelings that I offer a **huge congratulations** to Mrs. Boc who will be leaving St. Angela as our Administrative Secretary. She will be joining St. Thomas More School community as of April 1st. Please feel free to send her well wishes to her learn account at katherine.boc@learn.cssd.ab.ca. She will be greatly missed, but **ONCE AN ANGEL, ALWAYS AN ANGEL.**

God Bless,
