## **ORANGE SHIRT DAY – EVERY CHILD MATTERS**

On September 30, St. Augustine School will be celebrating Orange Shirt Day. Orange Shirt Day is a legacy of the St. Joseph Mission (SJM) residential school commemoration event held in Williams Lake, BC, Canada, in the spring of 2013. It grew out of a story whereby one of the First Nations students had her shiny new orange shirt taken away on her first day of school at the Mission, and it has become an opportunity to keep the discussion on all aspects of residential schools happening annually. Teachers from K-9 will be working with students to help create understanding and a sense of significance as to what wearing an orange shirt will mean. We would like to invite all members of our community to participate in this event to show our support.

## **JUNIOR HIGH BRIGHTSPACE D2L**

Brightspace - D2L is the online learning platform that students use to track marks and get updates from teachers regarding assignments and homework. Students are expected to share their login credentials with their parents so that they may work together with the teacher in tracking homework and marks.

If you would prefer to check Brightspace by D2L on your smartphone, download the "Pulse App" through iTunes or Google Play.
