LOCKDOWN AND FIRE DRILLS

Each month we practice a safety drill to ensure student safety. Students will become very familiar with the various drills we practice and will respond in a calm manner. Teachers will review the drills with the

students beforehand, so everyone understands what is expected. We work closely with emergency services (Calgary Police Services) in developing these drills to achieve the safest environment for all. If you are in the school during a drill, please follow the directions given to you by staff to make sure you are safe too.

WORKING TOGETHER - COBS BREAD AND ST. AUGUSTINE SCHOOL

We are so excited to have partnered with Kingsland Cobbs Bakery. When you go in and purchase their delicious delights, mentioned that you are part of St. Augustine's School Community and they will donate a certain percentage back to our school. This is an amazing opportunity to raise funds for the many activities that we do throughout the year.

FALL PHOTO ORDERS AND RETAKE DAY

Photo Portrait Proofs have been sent home this week with students. We encourage parents to use the online order system as you can see before you buy. View your images on www.mylifetouch.ca using your access code included with your proof package.
