

SCHOOL (PARENT) COUNCIL

INVITES YOU TO HELP MAKE A DIFFERENCE IN YOUR CHILD'S EDUCATION

Six Reasons to Become an Active/Engaged Parent:

School Council is...

1. **Social:** Coming to the monthly meetings offers a great opportunity to meet new people (parents, teachers, and administrators). Council is a fun bunch of parents--we promise!
2. **Constructive:** Nothing beats the rewarding feeling of seeing projects from their initiation to completion and the impact it has on the children. Our committee makes good things happen.
3. **Educational:** It provides great information sharing around issues in education, school planning, etc. Learn about curriculum, staffing, operations, and policies.
4. **Responsible for Fiscal Planning:** Every year Council looks for ways to enhance each child's education by providing additional programs and events with money provided through fundraising. Our committee has input into where your donated dollars are spent.
5. **Supportive:** Council is representative of our parent community and has a role in hearing general concerns and assisting or advising solutions and available resources.
6. **Political:** Council contributes to community issues and has a role in advocating for changes in public education.

School Council is a fantastic way to get tapped into the school community. Being an active member opens the door to countless opportunities and enrichment for our children. School Council is always hoping that more parents will share their ideas and their time to keep our great programs and commitments alive.
