

The Bernadette Gazette – January 14th -18th

January is a busy month for St. Bernadette staff and students. We are excited to enrich our programming with **Kananaskis in the Classroom** presenting **Ugly Bugly**. Our grade 3 and 2 students will be heading down to the Scotiabank Saddledome on the 21st for hockey

equipment pickup as they ready to hit the ice and learn to play hockey **thanks to the Calgary Flames and First Shift Program** through February and March. And we are also tapping into our artistic flare as we welcome artist Karen P. from January 22-31 for an **Artist in Residence Program**.

St. Bernadette School has several lunchtime clubs running. Thank you to all our staff for giving of their lunchbreak to keep our students active and inquiring.

How do I get my kids to learn their math facts? They need to know their timetables! How can I help my child become better at adding? Dividing? Mark your calendar for Math Night and find out how! **On Wednesday January 31st, all families are invited and encouraged to come have dinner and learn to play math games that will help your children improve in their math skills.** Please RSVP using the form that was sent home or call the school at 403.500.2020. **Due to program planning and food portions, you must RSVP.**
