

The Bernadette Gazette – January 21<sup>st</sup> – 25<sup>th</sup>

**Communication:** St. Bernadette School communicates with you in a variety of ways to support you to be engaged in your child's education. Permission forms, information regarding school events and parent education opportunities are sent home via email and/or hardcopy in your child's backpack/agenda. Teachers also have students record pertinent information in their agendas and frequently, stickers are affixed in the agenda calendar to relay news. We also put general information on the school website so that you are informed. Therefore, please read school notices that are sent to you and, daily, check your child's backpack / agenda notices. **It's a simple habit that supports your child's success in being organized and accountable for their education.**

**Thank you** to our School Council in organizing and running the January bottle drive. **Over \$220 was raised to support enrichment programs.** Thank you to those families who donated!

**It's hockey time!** Grade 2 and 3 are receiving an incredible opportunity! They are off to the Saddledome on January 21 to pick up their hockey equipment before they hit the ice for 8 weeks of hockey lesson **thanks to the First Shift Program and The Calgary Flames Foundation.** Lisa Bowes, Canadian sports broadcaster and author will be stopping by to share the story of Lucy and her courage to try hockey.

**Friday is a Professional Development Day and there is no school for students.** Our teachers will be attending various workshops including learning about the new mandated Alberta curriculum for grades 1-4. More information will be coming about the changes to the curriculum.

Thursday February 7<sup>th</sup> 3:30-5:30 **\*ST. BERNADETTE STUDENTS ONLY**
