

The Bernadette Gazette – March 11<sup>th</sup>-March 15<sup>th</sup>

We kicked off our Lenten season with an assembly focusing on **GRATITUDE**. We have so many people and things that we take for granted. We talked about how **blessed we are** items like **light bulbs and toilet paper!** How about field trips? Intramurals? Our families? Being able to read? Sandwiches in our lunches? Laces for our shoes?

All classes have been planning their Gratitude Challenge Plan. What can they do daily through Lent to have a growth mindset and be more grateful? **NO complaining about what they are blessed to have or able to do.** Please join your children and focus on being grateful!

It's Progress Report Day! Please take time to **celebrate** your child's achievements. Every student at St. Bernadette comes to school daily and continues to learn. **If you have been requested to, or would like to book a conference, please book through CONFERENCE MANAGER online.** All instructions are included in the progress report envelope.

In January all classes participated in a **Visual Art Residency**. Every student has chosen three pieces of their art for the **ART WALK**. **We will display our art at Parent-Teacher Conference on Thursday evening and all day Friday.** Please come to school on Thursday evening or Friday and walk the halls to see our gallery of art. There are also several science projects the students are proud to share and they will also be on display: **grade 5 electric cars, grade 4 amusement park rides, grade 6 planet projects and healthy living boards.** You do not need to have an appointment with your child's teacher to view the art. **See you at the ART WALK!**

A reminder that we have **Full Day Kindergarten** for the 2019-2020 school year. **There is limited space in this program so please register your child asap. Non-Catholic students are welcome to attend if they reside in the Lynnwood/Ogden area.** Proof of Lynnwood/Ogden residency is mandatory for all registrants. **We are also accepting registration for grades 1-6.** Tell your neighbours to inquire for schooling at St. Bernadette! It's a great place to learn! Please come to the school office with necessary documentation to register or call 403.500.2020. Thank you!
