

The Bernadette Gazette – June 10th – June 14th

It's been another active week as we move to the end of the school year. Kindergarten spent a day at TELUS Spark learning about science, grades 1-6 had an adventurous afternoon of swimming at TRICO and our patrollers went to Heritage Park along with approximately 7000 other grade 5 and 6 students for the annual year end celebration. The smiles tell us they had a great time!

CONGRATULATIONS to those students who volunteer as school patrols. **This year, St. Bernadette School Patrols achieved GOLD status for the safety diligence.** Thank you to our patrollers as well as Ms. Stanghetta and Mrs. Graham for your hardwork.

THANK YOU to the numerous volunteers who supervised in the pool and on the deck for our activity day. The smiles and screams of excitement are a testament to what a great experience this is for our students.

ULTIMATE SUMMER CHALLENGE Vickie Smith from the Quarry Park Library joined us on June 5th to present the CPL's Ultimate Summer Challenge! Once you sign up, students and families can read (or be read to), complete their Challenge Map for prizes and attend **free** science, technology, reading, engineering, arts, and mathematics (STREAM) programs at the Library throughout the summer.

Registration for the Ultimate Summer Challenge runs from May 15 to August 31. You can register online or drop by any Calgary Public Library. <https://calgarylibrary.ca/ultimate-summer-challenge/>

Youth Centre sponsored by the YMCA has free day camps and drop in for Lynnwood/Ogden students. **Please scroll to the bottom for information.** Students will have a short presentation and will bring home registration forms later this week.

Please call me or email me if you have something to share, a question, a concern or a celebration.

Tara
