

The Bernadette Gazette - June 17th - June 21st

This Friday is **National Indigenous Peoples Day**. St. Bernadette School students and staff will recognize this day by having a First Nation focus at our Friday mass. On Tuesday June 25, we welcome Chantal Stormsong to perform for our community. Ms. Stormsong is a singer, drummer, artist and story teller of Metis origin. http://www.cree8.ca/chantal_chagnon

There is a new youth centre in the Ogden/Lynnwood area. The Youth Centre sponsored by the YMCA has free day activities and drop in for children 9-16 years of age. Children must be registered so that there is an emergency contact information etc. available to the centre. It's located on 23rd St. across from George Moss Park. Registration packages are available at school or at the centre. **Please scroll to the bottom for information**

Progress reports will be given out at the end of the day on June 27th. If your child will not be at school on this day, you must **send in a letter sized envelope with postage to have the report mailed to you.** Please note we do not hand out progress reports early.
