*The Purpose of School Council Meetings is to advise the principal on matters pertaining to the school, as well as bring all members of the community together in a setting that will promote effective dialogue, creative thinking and transparent sharing of information.*

*All parents of the school are considered Members at Large and therefore have a vote when gathering input.*

*This meeting has a closed agenda. Should you wish to have an item considered for a future school council meeting, please approach the Chair or Principal with the item.*
