Making Sets:

We will start learning about how we can make up numbers by combining smaller numbers. We will be exploring this concept for the rest of the year up to 10!

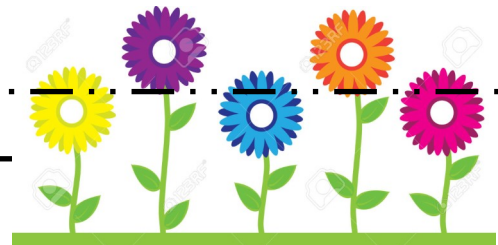

Easter Story

In Religion, we will be discussing the Easter story and the crucial steps of the end of Jesus' life on Earth. We will be sequencing the story and important moments of Easter.

Spring Activities:

We are starting to learn about Spring and exploring nature and its changes during this season. We will begin outdoor learning and bringing nature in the classroom!

"WH" Questions:

We will be reading a variety of stories and asking "WH" questions these include "who" "what" and "where".
When reading at home discuss these questions about the story being read. This will help with developing our comprehension skills.

Have a safe and happy Spring Break and I cannot wait to see you again in April! As always if you have any questions, concerns, or comments please reach out to me via email, phone or Seesaw!

Many Blessings,
