## June 2019

Happy June Kindergarten Families! I cannot believe it is our last month of Kindergarten! I am so proud of all the work and effort we have accomplished this year. Our little ones have grown over the year. I am so sad to say goodbye to them but they will accomplish great things next year in Grade One!

### Library Books:

Our **June** library day is **June 5th**. After that all books must be returned to the Library. The **Library is closing on June 14**. Please return your books before that day to avoid getting charged.

### Happy Birthday!

We ask if you send a treat for your child's birthday, **please be aware that we have peanut and nut allergies in our class!**

### June Birthdays!

**June 8:** Emily (PM)

**June 13:** Thomas (AM)

## What are we learning about this month?

### Butterfly Activities:

We **officially** received caterpillars in the classroom and we will observe them as they go through their life cycle. We will be watching our caterpillars grow and change!

When our caterpillar's turn into butterflies we will have a special releasing ceremony in our school yard with the Grade 1, 2, and 3s.

### Kids in the Know:

We be using the *Kids in the Know* Program to assist us in learning about personal safety strategies.
