- March 23-31: Spring Break (No School!) Enjoy your break!

What are we learning about this month?

Measurement:

We are starting to learn about simple measurement terms and comparing objects based on one attribute. We will be exploring height, weight, length, and capacity.

Parables and Lent:

In Religion we will be discussing what a parable is and the different parables that Jesus told through his ministries.

Additionally, Lent is approaching and we will be discussing what Lent means and what we do as Catholics to show our devotion to God.

Rhyming:

We have been discussing a lot about rhyming and rhyming words. This month we will be focusing on literature with rhymes and playing different rhyming games! Rhyming is easy to practice at home or in the car. Remember rhyming words have the same sound at the end of the word!

Happy Birthday!

Birthdays are celebrated with a special song and pin! **We** ask if you send a treat for your child's birthday, **please be aware that we have peanut and nut allergies in our class!**

March Birthdays!

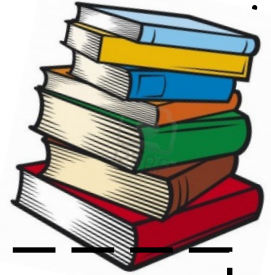

March 9: Keaton

March 13: Mackenzie

Library Books:

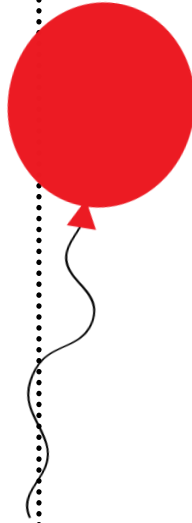

Our **March Library Days** are:

March 6 and March 14

Toys:

Please leave toys at home as it is causing issues in the classroom with focus and transition times. Thanks for your understanding.

Thank you for all that you do for you child and trusting me with them everyday, I am very blessed. As always if you have any questions, concerns, or comments please reach out to me via email, phone or Seesaw!

Many Blessings,

Miss. Shostak
