

2018-2019 Junior High Final Exam Schedule

Each year, Grade 9 students write Provincial Achievement Tests (PAT). The purpose of the achievement tests is to determine how well students are learning what they are expected to learn, to inform Albertans about student achievement relative to Provincial standards, and to assist school in monitoring and improving student learning. We do use the results of the tests for the students mark and it is recorded in D2L. You will also receive an overview of early reporting of scores with the Progress Report on the last day of school. In the fall an official copy of results is mailed to your home. Exam times shown below include the 30 minutes extra time available to all students.

The tests will be administered on the following dates:

Wednesday, June 12	9:00 am Grade 9 PAT Mathematics Part A (Full day of school)
