

CALGARY CATHOLIC SCHOOL DISTRICT

New Legacy Catholic High School Boundary Articulation/School Administration Profile

Please join us as we take another step closer to opening our new Calgary Catholic high school in the community of Legacy.

Meeting Date: November 23, 2016

Time: 7:00 - 9:00 p.m.

Location: St. Sebastian School (65 Chaparral Drive SE).

Registration: call 403-500-2116 or email helpplanourfuture@cssd.ab.ca

This meeting is the first of two anticipated public meetings as we articulate the boundaries for the new high school and gather advice regarding qualities, attributes and characteristics of administrators appointed to the school. The second meeting is currently scheduled for January 30, 2017, and we anticipate at that meeting sharing school boundary scenarios for which we will be seeking input and feedback. Guiding us throughout this process is a focus group consisting of representatives designated by local school councils to support the district in this process.

A primary goal of the November 23 meeting is to determine what factors should be considered as we begin to articulate a boundary for the new school. Considerations will include natural corridors (Fish Creek Park and Bow River Corridor), physical barriers (major roads/highways), Calgary Transit routes and feeder school/community boundaries. The district is seeking your input in determining the impact of these factors, and the consideration they should be given as we move closer to the articulation of a boundary for the new high school. The district will also be asking participants to reflect on seven current district designated programs and which of these might be a best fit for Legacy high school.

Please consider joining us on November 23 as we move one step closer to the opening of our new south Calgary Catholic high school. Parents who are unable to attend will be able to view the presentation on the day after the event, and the input, feedback questions and answers received that evening will be posted as well. All of this information will be found on the Legacy High School web page, which can be accessed by clicking the link below:

<http://www.cssd.ab.ca/parents/help-plan-our-future/future-schools/new-south-calgary-high-school>

Once the feedback has been posted on the district website, parents who were unable to attend this meeting will have the opportunity to provide further input as well.

Parents are invited to view the Philosophical Framework (also accessed at the above link), the document which stakeholders helped us to create which guides high school development from construction to program development as we work towards an opening date. The framework began in June 2013 and was completed during the 2013-2014 school year.

We look forward to seeing you on November 23. **In order to allow us to plan for a successful evening, please register by calling 403-500-2116 or by email at helpplanourfuture@cssd.ab.ca**
