

ALBERTA POST SECONDARY OPEN HOUSE DATES FOR FALL OF 2020

(Effective to September 18th , 2020)

All Grade 11 and 12 students are encouraged to participate in the Post Secondary Virtual Open Houses and Information Sessions to learn as much as possible about the opportunities available to you after high school. Students must register in advance for the Virtual Open Houses. Some post secondaries offer free applications on Open House Day. Check each website for details.

If you are looking for detailed information about a particular institution or program, please go to the post secondary website as the most up to date information is available there. Viewbooks are available in Student Services. Please email your counsellor if you would like a copy.

Most post secondary schools open the application process on October 1st. Each has their own admission deadlines which are listed on their website.

Students are encouraged to review post secondary websites for scholarship opportunities as some of the scholarship deadlines are earlier than the admission deadlines.

Both your counsellor and Mrs. Campbell, the Career Practitioner are available to assist you with your career and post secondary exploration. Please book an appointment using the QR Code in your classroom or email Mrs. Campbell at carolyn.campbell@cssd.ab.ca.
