

New Congregated Classroom Coming to St. Rupert School:

In the fall, St. Rupert will be welcoming a new group of students to the school. This congregated classroom, referred to as the Starting Points classroom, provides a highly structured specialized program designed specifically to address issues of externalizing behavior within the context of a mainstream school. The students this program serves are in grades one through six and are invited only after in-depth consultation with teachers and District Instructional Services personnel. Welcome to our newest community members!

Student Belongings:

If you have not had a chance to collect your child's belongings from the school, please contact the school office to make an appointment. Students will not be returning to school before the end of this school year so please find a time that is convenient to collect those items.

*****Please note that items **not claimed by June 26th** will be donated or tossed in the garbage – they WILL NOT be held for students until September*****

Year-End Progress Report Information:

Progress reports will still be issued at the end of the year. However, given our current learning at home situation, this will involve a secure emailing of a code to access your child's progress report through School Messenger. If you have recently made a change to your email address, please let the school know so we can ensure this email is received.

Progress reports will include subject area marks for the following courses:

- For kindergarten, the format and grading systems will remain the same, with areas of focus on literacy, numeracy and religion. The use of the asterisk will denote areas not assessed.
- For elementary, standard grading systems will continue to be used on the progress report, with new term 3 assessments for only LA, Math and Religion. All other courses will have term 2 marks continued.

School-Borrowed Chromebook and Textbook Return:

On **Wednesday, June 24th** the school will be collecting ALL Chromebooks and textbooks borrowed for at-home learning. This schedule indicates when your child is to drop off the technology on that day. If you wish to drop the technology off at an earlier date, please just contact the school to let us know when you will be returning the items. Items not returning may lead to the family being fined for the replacement costs of the technology! (Each Chromebook is valued at \$365.00 to replace)

Time	Grade Level
9-10 AM	Kindergarten
10-11 AM	1W & 1/2R
11 AM-12 PM	2L & 3M
12-1 PM	4/3M & 4B
1-2 PM	5K
2-3 PM	6/5M & 6U

Stay safe!
We miss you!
