"We Are Thunder Strong!"

A Sincere Thank You to The Cochrane Alliance Church and Tapestry Church who generously donated a delicious FREE muffin from Cochrane Coffee Traders to each staff member at St. Timothy Junior/Senior High School!

Learning Commons

- Mrs. Dewis is working hard to get the Learning Commons operating as fully as possible during the current restrictions. Students can currently place holds on books through the Destiny Library catalogue to be pulled and signed out to them. Once books are returned, they are quarantined for 72 hours after which they can be signed out again. Mrs. Dewis is also available to assist with book selection as browsing the shelves is not yet available. Please drop by if you would like a book to read.
- The Learning Commons is still missing many textbooks and library books signed out in the 2019/2020 school year. We would really appreciate getting them back as soon as possible.

Thunder Rumbings

- Thank you again for your enduring patience and understanding as we continue to staff St. Timothy School. As our staffing changes, so do some of our student schedules. [Please check PowerSchool](#) this weekend before classes on Monday to see if your schedule has changed. Even though details are not yet finalized, please know that our main priority is to deliver quality education in a supportive, faith-based learning environment. We will continue to work together to maintain rich and authentic programming with minor disruption during our transitions. Together, we will remain Thunder Strong!
