### Safety Reminders for our Students and Parents:

### School Council Meeting

Mark your calendars for Thursday, **September 26 at 6:30 p.m. for St. Vincent de Paul School Council Meeting.**

Please consider participating in this important part of the school community; the success of the school and vibrancy of our school community depends on all of us working together!

### Birthday Treats at School

We receive lots of requests from parents to bring in treats to share with classmates on their child's birthday. We are able to accommodate these requests but ask that parents use the following guidelines.

1. Please advise the teacher in advance; preferably 2 days.
2. Limit your treat to one small item only that can be easily distributed to the class. Perhaps consider a healthy snack such as a granola bar (nut free), fruit leather, or fruit snacks – or even some stickers or small packs of crayons! This is a good choice if there are any students that cannot eat gluten or have food allergies. If you want to do cupcakes for example, make them a small size or perhaps Timbits. *Please do not bring any candles or drinks (such as juice boxes, or bubbly juice).*
