Administration would like to thank students, parents, and staff for a very successful start up to the school year. There are inevitably a few tweaks along the way, but by working together, we've been able to address them. Overall, we have 430 students in our school, which is approximately 60 more than where we started last year!

As the school year begins, here are some important reminders for parents to ensure the safety of everyone:

The Kiss'n Go Zone is in effect from 8:05 a.m. – 8:20 a.m. daily.

It is not in effect after school. We ask parents to not drop students off in the parking lot or the bus zone in front of the school and use the Kiss'n Go Zone. As well, the Kiss'n Go Zone is intended for parents drop their child off and keep going. Please do not park in the Kiss'n Go Zone and leave your vehicle parked there. If you need to park for an extended period of time, please park outside this area.

Before / After School Student Supervision

This is an important reminder for parents that supervision of students is not available prior to 8:05 a.m. and after 3:05 p.m. Often students arrive before 8:05 a.m. and / or remain on the playground after school without parent supervision. This is particularly a concern for elementary students. After school, students need to be picked up by 3:05 p.m. as they will be outside without supervision. We realize this can be challenging for parents and there are times when pick up gets delayed for unavoidable reasons, however the safety of students is paramount so your understanding and cooperation is greatly appreciated.

Should you have any questions or concerns regarding any of this, please contact school administration.

We want what you want – for all students, staff and parents to be safe!
