## CATHOLIC COMMUNITY OF CARING

**Thank You To Our Volunteers!**

**What is a volunteer?**

**The dictionary describes a volunteer as:**

- a person who freely offers to take part in an enterprise or undertake a task.
- a person who does something, especially helping other people, willingly and without being forced or paid to do it

**Here at St. William School, we describe a volunteer as:**

- a loving and caring parent, grandparent, step parent, neighbor, friend, community member, or teacher, who comes to our school to help on field trips, deliver Fun Lunches, work on School Council, create wonderful memories like the Ice Cream Social and School Dance, Organize and hold a Christmas Kids Market...and tons of other things because they love our kids, teachers and school! **THANK YOU!!!**

## ST. WILLIAM SCHOOL COUNCIL PROJECT

In support of St. William's Bi-Centennial, the School Council is excited to announce the outdoor classroom project!

This project, marking St. William's 50<sup>th</sup> anniversary, is the creation of a transformative learning and teaching space outside the south-west corner of the school building. An artist rendering created for the 50<sup>th</sup> Anniversary celebration of the finished space will be on display at the school.

Individuals and Families are welcome to participate and support School Council in this initiative by:

purchasing bricks that will be used as the foundation of the project for \$100 each. The bricks are 5 x 7 and can be personalized with up to 3 lines of text; and/or donating an amount of your choosing to support the project.

The bricks and other donations can be made through St. William School Council.

We thank everyone for their support of this project.
