## CATHOLIC COMMUNITY OF CARING

### Champions!

Thank you to the parents who commented on our Champion Boards. Within all CCSD schools, we continue to build inclusive communities where respect for one another, our community and our diversity are celebrated. Using the Catholic Community of Caring values as building blocks, each school creates a positive school community and one way we are doing this is through the *Champions of Students* initiative. Every student has a champion at their school that advocates for them, believes in them and sees them for what they truly are--a child of God. This whole community approach creates a caring and respectful environment, while enhancing student learning.

**“Every child needs at least one adult who is irrationally crazy about him or her.”**

*Urie Bronfenbrenner*
