CATHOLIC COMMUNITY OF CARING

Every school in the Calgary Catholic School District is part of the Catholic Community of Caring (CCC). For the next few weeks we will introduce you to the CCC, and describe the core values we act, learn, live and celebrate by.

“Being Catholic” means that, as a district, our Catholic faith is a foundation and embedded in everything we do. Our Catholic faith permeates all aspects of a child’s educational experience—in what we learn and how we live. All district schools have an established Catholic Community of Caring based on the values of *faith, caring, respect, responsibility, trust and family*. This week we talk about the center of all we do – our FAITH:

Faith – We are all called to live out our faith every day at school, at home and in our community. The Bible and Church teachings help us make right choices that are for the good of us all. At school, we read and listen to Bible stories to hear the word of God, which provides direction on how we should live and work with those around us.

SACRAMENTS

- Will your child be receiving one of the sacraments (Baptism, First Holy Communion, First Reconciliation or Confirmation) this year? Please call the school to let us know when your child has received a sacrament. We will update our school records and put your child on the list to be able to celebrate this wonderful milestone! We will be honoring all sacramental recipients in June!

CLASSROOM WEBSITES

Teachers Websites and Google Classrooms are up and running! Many of our teachers are also using Google Classrooms to communicate directly with their classes only. These sites are private and accessed only by invitation to the class members students and their families.
