

St. William School

Grade 1 – 6 Courses and Learning Opportunities

St. William School offers all courses as outlined by Alberta Education.

<https://www.alberta.ca/k-12-education.aspx>

These include:

- Religion
- Math
- Science
- Social Studies
- Language Arts
- Physical Education
- French (Grades 4 to 6)
- Health
- Fine Arts (Art, Music, Drama)

Information and Communication Technology (ICT)

Students learn ICT outcomes within all subject areas. St. William is pleased to offer a full computer lab as well as portable technologies such as Chrome books and iPads. Several of our classrooms are equipped with Smart Boards as well.

Supporting Diverse Learners

St. William School offers differentiated instruction in an inclusive learning environment to meet all student learning needs. We have a Diverse Learning Coordinating Teacher who supports our school's diverse learning needs. More information is available upon request.

Daily Physical Education

St. William School presents students with the opportunity for Daily Physical Education class. This program keeps our students active in the gymnasium every day and encourages a healthy life style.
