St William School Council is committed to supporting the school in its efforts to provide resources and opportunities that will enhance our students' learning. The St. William School Council is supporting the 2018-2019 St. William School Cheque Writing Campaign to raise funds for student activities as well as to support the purchase of technology (Chromebooks for student use). Recent enhancement activities from School Council have included field trips, cleaning up the Genesis Garden and classroom enhancement funds.

Besides our regular product fundraisers, St. William School Council is offering parents and others an additional opportunity to donate money to St. William School to directly support our school. All support is sincerely appreciated and completely voluntary. 100% of the funds donated go directly to the school to support students and tax receipts are issued for any donations over \$ 25.00.

This year there are approximately 85 families in our school. Please know that ANY amount that your family can donate is greatly appreciated.
